Field Guide 01

Pause before you paste.

1

Is this tool allowed for this job?

Yes → Continue
No → Stop
Not sure → Ask first

Yes

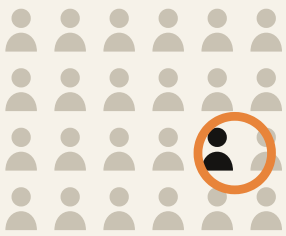
2

Only what the task needs?

Yes → Continue
No → Change it
Not sure → Ask first

Yes

3



Could it point to someone?

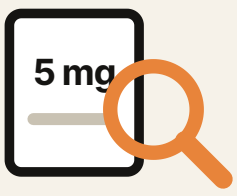
No → Continue
Yes or not sure → Pause

No

All three clear? Go, with care. This never means "passed".

Before you rely on it

What changed?



Check the facts

If it goes wrong
